CAREGIVER PLANNING STRATEGIES

PLANNING STRATEGIES FOR THE CAREGIVING CHILD

Wednesday, February 14 at 11:15 am

YMCA Conference Room – FREE and open to the public

Elder Law Attorney, Matt Margolis, will offer planning strategies and important matters to consider for adult children when they realize they will need to care for their parents.

New Normal

It isn't uncommon to see an adult child put his or her life on hold in order to take care of an ailing parent. In fact, this is happening more often. This presentation will cover various options for the caregiver child and parent to consider relative to their new relationship.

Topics to be Covered

- Medicaid, asset protection and transfers
- Importance of powers of attorneys
- Caregiver contracts
