FOR IMMEDIATE RELEASE

**Prepare to be Spooked at YMCA's 8<sup>th</sup> Annual Halloween Party**

**Northbrook, IL: October 2015** – As the leaves start to change and the air turns crisp and cool, the North Suburban YMCA is gearing up for another beloved autumn tradition: the annual Spooktacular Halloween Party. Now in its eighth year, this hugely popular public event transforms the entire Y into a celebration of Halloween spirit with activities for all ages. This year's party will be held on Sunday, October 25 from 2:00 to 5:00 pm, with exclusive early access for families of special needs children from 1:30 to 2:00 pm.

The Y's Halloween Spooktacular includes unique features to appeal to the entire family. The centerpiece of the party is the infamous Spooky Pool Boat Ride, which uses the Y's indoor pool for a one-of-a-kind haunted house experience. For those who prefer milder thrills, the party offers bounce houses, art projects, facepainting, costume contests, holiday-inspired snacks, a trackless train ride, and indoor trick-or-treating. New this year, guests will marvel at the Mysterious Maze, squirm at the Scary Sensory Stations, and say "cheese" in the Silly Selfie Photo Booth

"We're looking forward to making this year's Halloween Spooktacular the biggest and best yet," notes Howard Schultz, NSYMCA CEO and President. "It has grown into a major community event, with hundreds of families joining in the fun. It's a great opportunity to connect with your kids as well as your friends and neighbors."

Admission to the party is free for Y members, \$20 per family for non-members. Proceeds will benefit the Y's Strong Kids Fund, which makes Y's programs available to individuals and families in financial need. The Y is located at 2705 Techny Road, just east of Pfingsten Road, in Northbrook. 22<sup>nd</sup> Century Media is a proud sponsor of this event. Other local businesses and organizations are invited to participate as sponsors; contact Barb Flanagan, [bflanagan@nsymca.org](mailto:bflanagan@nsymca.org) for more information.
