“Y NOT” – JOIN US TO SOCIALIZE WITH PEOPLE WITH SIMILAR INTERESTS Make Friends, Go Out, Dine, Be Social

If you are interested in getting out, making new friends and trying new things, join us! Please contact Karen Brownlee at kbrownlee@nsymca.org to register. You do not have to be able to drive. Participants are, however, responsible for the cost of their meals, tickets or other individual expenses.

Getting Out

Let's go out locally and see plays, musicals, speakers, concerts, etc. Let's dine at familiar and new restaurants. Let's watch sports, play games or do arts and crafts.

Make New Friends

There comes a time in life when we begin to feel isolated and find that we don't do as much as we once did. Let's meet regularly and create new friends to fill that void.

Try New Things

Bring your ideas for social activities:

- What do you want to do?
- Where do you want to go?
- Let's do it together!
