Underwater Photography of David Saks Highlights

NSYMCA October Community Gallery

Northbrook, IL: October 2022 – The North Suburban YMCA Community Gallery will be showcasing the work of local photographer David Saks through October 31 at the NSYMCA, located at 2705 Techny Road in Northbrook. All photographs are for sale with a portion of the proceeds benefitting the Y's Visual Arts Program.

David Saks' colorful underwater photography uses a digital SLR with an underwater housing and strobes to reveal an intimate view of ocean life. "I want people to see what may be lost through our negligence, lack of understanding, and refusal to believe facts. Coastal oil drilling, general pollution and global warming all kill phytoplankton, the sea creatures that are the smallest forms of life. These in turn feed larger life forms. In short, human life depends on the health of the oceans through the foods we eat and even the air we breathe," stated Saks.

The NSYMCA's Community Gallery celebrates the diversely talented artists living and working in Chicago's northern suburbs with monthly exhibits that are free and open to the public. For more information about art at the North Suburban YMCA, contact Cathie Winnie at cwinnie@nsymca.org or 847-272-7250.
