NSYMCA camp programs provide a safe, nurturing, and creative environment to support the development of each child. Y camps offer fun, active experiences that promote friendships, confidence, and curiosity. Campers also take full advantage of the Y's indoor pool, large gym, outdoor sports fields, and playground. Many programs also include weekly field trips to exciting venues around the Chicago suburbs.

The 2025 Camps feature a host of traditional camps as well as new programs including:

- Specialty Camps - Craft-tastic, Go Wild, CSI-Crime Scene Investigation, Engineer Race Cars, Fishing Camp, and Space Camp.

“Our camps are designed with families in mind,” notes Gonzalez, “Many parents come back every year because they know that their children are in a safe and supportive environment, and our scheduling options make it easy to accommodate work and travel schedules.
